

FPHNY PUBLIC HEALTH TALK

NYC Health Justice Network NYC Department of Health and Mental Hygiene

> Christina Green, CCAR, CERPA Director, NYC Health Justice Network

Mari Carlesimo, JD Senior Director, Transitions to Community

For 100 People In The Criminal Justice System...

i. For NYC jail data, race indicated as Other assumed to be Hispanic ethnicity

ii. Includes American Indian, Alaskan, Asian, and Native Hawaiian races

Why is this a Public Health Issue?

Premature Mortality

The risk of mortality increases **12-fold** in the first 2 weeks post release ^{4, 5}

Chronic Diseases

40% incarcerated individuals have at least one current chronic medical condition⁶ Cancer

Incarcerated Women have higher rates of cervical cancer⁷ Incarcerated men have higher liver and lung cancer mortality⁸

Trauma + Behavioral Health

50% in state prison and 68% in jail have a diagnosable substance use disorder, compared to 9% in the general population 9

NYC HEALTH JUSTICE NETWORK

A *public health* approach to community re-entry

Novel and expanding model bridging **public health, social services, health care**

- Voluntary services, serving 800+ participants
- Anti-racist and trauma-informed
- Participant-driven
- Community Advisory Board/Community of Practice
- Respecting diverse participant backgrounds
- Funded by the District Attorney of New York's Criminal Justice Investment Initiative (March 2019 - February 2022)

Preliminary Findings

A demonstrated need for HJN services

Top 7 Social Service Needs Addressed

Top 7 Healthcare Needs Addressed

Note: Highlighted **in red** are participant-identified needs that NYC HJN began to track during COVID-19's peak in 2020

HJN Evaluations & Academic Collaboration

- Collaboration with NYC Prevention Research Center (NYU School of Medicine and CUNY School of Public Health)
 - PRC Evaluator for HJN Grant
 - HEALTH STUDY: Evaluate healthcare utilization and costs
 - RECIDIVISM STUDY
 - First Publication: Abstract accepted by APHA.
 - HJN Director presented poster and power point to APHA on October 21, 2021.
