Please be advised that the Fund for Public Health in New York City (FPHNYC) has cancelled the Request for Proposals referenced above (the "RFP") per Section 5, "Disclaimers and General Provisions," of the RFP. FPHNYC has determined that it is in the organization's best interest to move in a direction that will utilize resources already in place rather than pursue assistance from an outside consultant.

FPHNYC appreciates and understands prospective applicants may have gone to great effort in preparing a response for the RFP and apologize for any inconvenience this may cause.

We truly appreciate your interest in doing business with FPHNYC. We hope we can count on your participation in future projects.
